

# The AHM SUBSTANCE ABUSE AND VIOLENCE PREVENTION TASK FORCE

PRESENTS

## What Every Parent Should Know: Connecticut Drug Trends and Drug Identification Program.

Please join us for an informative discussion on how illegal drug use among children and teens is impacting our communities and families. At this Parent Forum you will learn first hand, what these new and highly addictive drugs look like, how they are used, and signs to look for if your son or daughter is or become drug dependent.
